

BIRCHWOOD PROPERTY MANAGEMENT HOMEWATCH SERVICE PROGRAM

November 1, 2024 through April 30, 2025

Peace of Mind

Visual inspections to identify problems and prevent damage, take action when damage occurs. Your home's safety and security is our passion!

Home Exterior

We check windows and doors for storm damage and security. We'll also check that the roof is clear of heavy snow and ice.

Home Interior

Weekly or bi-monthly inspections will check mechanical rooms to ensure the furnace and heating is functioning properly.

Monthly Reporting

Inspection Reports are generated monthly. **In the event of an emergency, owners are contacted immediately.**

Other Services:

- Thermal image inspection to identify areas with poor insulation or hidden water leaks
- Snow removal
- Smoke detector battery replacement
- Spring cleaning
